

DON'T DESTROY DONINGTON

Dear neighbour, we have formed an Action Group to object to the development of land adjacent to Park Lane by Miller homes and Clowes Developments. This **MAJOR** development will have **DETRIMENTAL** impacts on **OUR** community:

- 975 new houses in addition to 500 new homes already approved (c.55% increase to Castle Donington)
- Destruction of arable land and open spaces
- Strain on public services
- Potential increase of HGV traffic in our area

We urge you to lodge your objections to this application to North West Leicestershire District Council as soon as possible – time is running out, by either:

- emailing them at: development.control@nwleicestershire.gov.uk quoting ref.: 09/01226/OUTM
- writing to NWLDC, Council Offices, Coalville, Leicestershire, LE67 3FJ quoting re.: 09/01226/OUTM
- or visiting www.dontdestroydonington.co.uk to learn more about Park Lane Action Group (PLAG)
